

Neighbourhood Plan Working Group report to the Parish Council

22th. March 2021

Meetings:

There will have been two NPWG meetings since the last PC meeting.

Work Load:

Work has mainly been focused on refining the first ten chapters of the Draft Plan, by adding data, correcting and making the document flow logically etc.

Communications:

We have published on the NP website the results of the recent Options Consultation, advertised this in newsletters, posters and on other forms of social media.

Awaiting:

We are awaiting further reports from AECOM on the Strategic Environment Assessment and further Heritage aspects.

No further meetings have been arranged with the Strategic Planning Officers at SSDC for the moment.
