KV and PPLO have contacted Sue Seager at The Newt to remind her that footpaths at North Cadbury, Galhampton, Woolston and Yarlington will need to be cut through. (April 2021)

### **Circular walks project**

Sites for display board at Galhampton still uncertain. Estimates for printing of maps, production of signs, purchase of posts, postcrete etc., obtained and sent to councillors. Wincanton Print will undertake printing of large maps for display cases when OS map has been received from SCC. Wincanton Print have advised on most economical way forward with individual maps and directions. Eve Wynn (ROW Officer) has been very helpful with advice at this stage of the project.
