**Minutes of the Parish Council (PC) Planning Meeting
Held on Tuesday 14th September 2021 commencing at 3.00pm to consider
PA 21/00968/FUL – Demolition of 2 Pratten huts (detached timer-clad temporary
buildings) and replacing with 3 classrooms in a single storey extension
at North Cadbury C of E School**

Councillors Present:

Malcolm Hunt (Chairman)
Karen Harris
Bryan Mead

Sue Gilbert
Andy Keys-Toyer

In Attendance: None.

21/104. Declarations of interest: None.

21/105. Given that it had been noted that there were a number (8) of objections on line to the proposals, the PC decided to conduct the meeting onsite. It is clear that the school classrooms are barely fit for purpose in the 21st century. The PC had seen the negative comments contained in letters not supportive of the Application. These improvements are badly needed and the PC was unanimous in its view that it could not support the contrary observations and concludes that the work to demolish and replace the Pratten Huts should be commenced as soon as possible, which given the delays will probably not be until summer 2022.

21/106. Resolution: The PC resolved unanimously to recommend **APPROVAL**.

The meeting closed at 3.30pm.
