In Attendance: C.Cllr Mike Lewis, D.Cllr Henry Hobhouse, D.Cllr Kevin Messenger the Clerk and fifteen members of the public.

Public Session

A resident gave a brief presentation to provide greater awareness of Policy NCY 22, 17 and 18 in the Draft Neighbourhood Plan (NP). Following the presentation, the Chairman advised that the best means of communication is to write to the Parish Council (PC) through the Clerk. He anticipated that the Draft NP would be ready for consultation by the PC on or about 17th November. A week's notice would be required in order to provide sufficient time for councillors to consider the lengthy document, prior to consideration/approval at the next ordinary meeting of the PC on 24th November 2021. If the draft NP was not ready by this date, an extraordinary meeting of the PC would be arranged at which members of the public are welcome to attend.

Report from The Newt and Emily Estate

No representation.

Reports from County and District Councillors.

District and County Councillors may give short verbal reports on matters affecting the Parish.

C.Cllr Lewis hoped that the Secretary of State (SoS) would make his announcement on Friday 29th October 2021 on the new Unitary Authority (UA) for Somerset and the details within the Consent Order.

Cllr Lewis thanked the PC for its support by writing to the Planning Inspectorate in opposition to the appeal for 200 houses to be built on land to the north of Ansford Hill, Ansford, Castle Cary, next to the train station. He advised that the electronic petition had recently closed having received 500 signatures, however, those who had not already signed the petition could sign it in Bailey Hill Bookshop, Castle Cary, which already had over 1,000 signatures. The principal objection is the adverse environmental impact.

D.Cllr Hobhouse also wished to thank the PC on behalf of Castle Cary Town Council for its support in opposition to the appeal. [The Inquiry starts at Caryford Hall on 9th November 2021 for 4 days that week and then has a concluding day on 24th November, residents are encouraged to attend to show the strength of opposition.] He anticipated that the result would not be known until six to eight weeks after the appeal.

Area East recently purchased two thermal imaging cameras, for use by Parish Environmental Champions, to help identify heat loss from houses within the parishes. Grants were available from South Somerset District Council (SSDC) to insulate homes.

Following questioning by a councillor, Cllr Hobhouse confirmed that his Register of Member's Interest was up to date on the SSDC website, including disclosure of hospitality from Mr Koos Bekker for one night at The Newt Hotel, having been his former family seat and sold by his cousin Neil Hobhouse. [D.Cllr Hobhouse has since clarified that he also declares an interest and leaves the meeting when an application from Emily Estate is received by Area East Committee. To ensure representation by the Ward Members, D.Cllr Messenger has never accepted any hospitality from the Emily Estate in order that if an application is deferred to a Ward Member, he can submit his recommendations.

Action: Following further discussion regarding The Newt's activities, Cllr Hobhouse agreed to hasten a response to Yarlington residents' recent Freedom of Information (FOI) request. He also agreed to ask Mr Koos Bekker if he would be willing to meet with the PC at the request of the Chariman.

D.Cllr Messenger reported that he had brought up at the recent Area East meeting, councillor and residents' dissatisfaction with the service received from SSDC planning department; its lack of response and enforcement. This was currently being dealt with.

Covid rates were on the increase, especially in Castle Cary. He continues to have admiration for all those involved in the vaccination process at the Haynes Museum and Millbrook Surgery.
